

What people are saying about 211 Info Bank

"I wish I had known about you ten phone calls ago. You're the first to have the information that I needed."

-Mom seeking substance abuse treatment programs for her teenage son

"I always call you first because you have all the answers."

-Employee of a local homeless shelter

"Thank you for helping me realize that there's a way out. This community really needs you."

-Male victim of domestic violence

"I can always count on you to find resources- you're the center of the human services universe!"

-Graduate student in Social Work

"I've gotten more help, more information, and more of a sense of hope from 5 minutes of talking to you than I have in 3 months of calling everywhere else for assistance."

-60 year old grandmother living in her car with her 2 grandchildren

"I recently received a copy of your Directory. I am impressed! From time to time I have received similar publications, but I have never received one with such an extensive, up-to-date and useful list of information."

-Local Pediatrician

"Your resource lists are great. We use them all the time. They disappear quickly."

-Nurse at a local WIC Clinic

"You're great! I use you all the time to find answers to my questions."

-Liz, LCSW

"I've called you when I didn't know who to call. I've told you my problem and you told me who to call. It's always available. And some of those things are very hard to find. I am 71 and there are people I know that can't see well, and it just helps to have 211. A lot of people out there don't know what help is available, I tell every senior citizen I know about you."
