**Hours:** 8 a.m. – 4:30 p.m., Mon. – Fri. (Helpline 24 hours a day 7 days a week.)

**Director:** Patrice Green

**Purpose:** The VFW National Home for Children will provide children, youth and families of members of the VFW and Ladies Auxiliary opportunities for growth and development in a nurturing community, and by doing so, will serve as a living memorial to all veterans.

**Services:**

1. Residential Program – provides for school-aged children whose parents are deceased, or need assistance providing care. Children are served from birth to young adult status through a variety of programs, including Nursery, Residential, Single Parent Family, Military Family Program, Veteran Family Program and Aftercare Programs.
2. Aftercare Program – affords youth who have participated in the Residential Program and have graduated or earned their GED to reside on the National Home campus as working adults and/or students for up to four years beyond high school graduation.
3. Single Parent Family Program – provides services for single parents and their children in a goal oriented one to three year program. Assists in building stronger, healthier families. The goal of the program is to increase the single parent's self-confidence in their ability to be independent and self-supportive by challenging them to set and meet personal and family goals.
4. Military Family Program – provides supportive services to members of the active-duty military, National Guard and Reserves during a period of deployment. Services are provided to the stay-behind spouse and children that assist in maintaining a strong family relationship during the hardship of spousal separation that can come from military deployment. The goal of the program is to increase the overall family stability at the conclusion of deployment.
5. Veteran Family Program – serves children within the whole family (veteran, spouse, and children) when the veteran in the family is a member of the VFW, is in receipt of VA service connected disability compensation and is in pursuit of an approved VA Vocational Rehabilitation Program. The program is designed to supplement VA Vocational Rehabilitation to ensure lasting family stability and future vocational success.

6. Education Program – children attend local public schools. The education provides tutoring, a computer lab, a library, piano lessons, drug and alcohol awareness, a student work program and community service. The Ladies Auxiliary Nursery School operates a licensed day care program and preschool.
7. Recreation Program – indoor and outdoor recreation areas include a community center with a gymnasium, exercise and weight room, music room, game room, softball diamond, soccer field, tennis court and playground. Activities include 4-H, sports teams and camping experiences.
8. Spiritual Development – children and families are encouraged to attend services at a church of their own faith.
